PATHWAYS TO SUCCESS: Discovering Your Passionate Life

Visit www.trishajacobson.com to register or call 603-986-6076

- **Are you looking for clarity about what's next for your life?**
- **Are you in transition and searching for your next move?**
- **Would you like to have more joy and fulfillment in your life?**

Surveys show that four out of five Americans are not passionate about their lives. Unhappiness at work, in relationships or around finances or health results in just going through the motions and not really living life to the fullest. If you want to get some clarity about where your passion lies, refuel your creative spark or discover it for the first time, or simply add more joy to your daily life, please join us!

You will be led through a simple, but powerful process that will help you gain clarity while incorporating some basic success principles and strategies to support you in creating more meaning, joy and fulfillment in your personal and professional life.

About Trisha

Trisha Jacobson is passionately committed to inspiring people to find their unique magic. She teaches success skills, principles and strategies while helping her students to let go of fear, overcome obstacles, clear subconscious blocks and heed the intuitive whispers and heart's wisdom along their path to self-discovery.

Trisha has been personally trained, coached and mentored by Jack Canfield, author of the Chicken Soup for the Soul series, and The Success Principles and is a graduate of Jack's elite Success Principles Train the Trainer program. She serves on Jack's Breakthrough to Success live training team, facilitates Train the Trainer groups and is a certified Canfield Success Principles Trainer.

Trisha is a best selling author, speaker, coach and the founder of the Pathways to Success to Youth Project. Learn more about Trisha and her work at www.trishajacobson.com

"My perspective on life and what I am capable of has completely changed. I will no longer ride life where it takes me. I will grab life by the horns and steer it in the direction I want to go." ~LB
