About Trisha

Trisha Jacobson is passionately committed to inspiring people to find their unique magic. She teaches success skills, principles and strategies while helping her students to let go of fear, overcome barriers, clear subconscious blocks and heed the intuitive whispers and heart's wisdom along their path to self-discovery.

Trisha has been personally trained, coached and mentored by Jack Canfield, author of the Chicken Soup for the Soul series, and The Success Principles and is a graduate of Jack's elite Success Principles Train the Trainer program. She serves on Jack's Breakthrough to Success training team, facilitates Jack's Success Principles Train the Trainer groups and is a certified Canfield Success Principles Trainer.

Trisha is a best selling author, speaker, coach and the founder of the Pathways to Success to Youth Project. Learn more about Trisha and her work at www.trishajacobson.com or www.pathwaystosuccessforyouth.com

"The principles taught in this class are the most important tools I've ever learned! Everyone should know this stuff ... it's magical! ~MC
